YOU'LL RECEIVE
FREE 15 LITRE
ARISTON WATER
HEATER***

**Terms and Conditions apply*

**Take the stress out of buying your new roof.
Get the roof you want at the price you can afford.**

For years, genuine stone coated steel roof tiles have been unaffordable to many, while cheap versions and fakes have proven not to last or perform to an acceptable standard.

Manufactured by Fletcher Building Roof Tile Group, the worlds largest and original stone coated tile manufacturer, this new tile, called Fortiza, is designed specifically for the rapidly growing housing market where budgets are tight but overall looks are highly important.
